March Newsletter

Citizens of Holly,

I just wanted to let you know of a few events and some news as we make our way towards warmer weather, greener pastures and bluer skies.

Final registration for Holly Little League will be tonight March 3rd. Sign-ups will be held at Karl Richter Campus from 6:00pm - 9:00 pm. Please see the Holly Little League [website](#) for more details.

[Holly Area Youth Assistance](#) will be holding its annual meeting dinner tonight. The event starts at 5:30 and dinner will be served at 6:00pm. Hosting the event is First Baptist Church of Holly located at 15030 N. Holly Road. Please RSVP to the HAYA offices at 248.328.3185.

The Carry Nation Festival Planning Committee is still in need of a few volunteers. The festival has been in talks with Village and Township administration, and Village PD regarding an entertainment tent and location suitable for a circus.

The festival director Ms. Hughes has been working very hard on kicking off a revival for this year's festival, and could really use more support. Please email Ms. Hughes or myself with your questions or thoughts about volunteering time (katylynnehughes@yahoo.com). The next Carry Nation Festival meeting is at Holly Township Hall on Tuesday March 16th. The doors will open at 6:30pm.

As a reminder Holly Township's annual spring clean up will be on Saturday May 8th from 8am to 4pm. Please see our [website's](#) services tab for more details. Due to budget constraints this may be the last year Holly Township will be able to offer this service. Please continue to take pride in our community and help to keep it clean.

The village will be offering a low cost vaccination clinic for dogs and cats. The event will take place on Saturday May 8th from 10am to 4pm. Please see the attached flyer for details about the available vaccinations, costs and location.

The Holly Merchants will be presenting several events to our community over the next month. Attached is a promotional card that highlights their planned events from now till the beginnings of May. They also have a [website](#), so please click on the link and see what our community has to offer. I've personally noticed the list of merchants growing as we continue to show our support for local businesses and our community.

Let keep up the good work,

Jesse
